Work back and exchange of duties, as provided for herein shall in no way result in credit for extra compensation for the one

performing the duty in the form of overtime or other provisions for increased pay. The approval of the Chief of the Department or the Assistant Chiefs to whom the Chief has delegated the authority shall be at their sole discretions based on operational needs. Both employees involved in the exchange of duty must follow the City's procedure which limits the number of "trading time's" to eighteen 24 hour exchanges (432 hours) annually each for personal use and for union business leave. Sick time work back is defined further under Section 2. The employee who is absent due to illness/injury will be paid and the voluntary replacement will not receive compensation from the City or will have vacation time deducted if approved. Under unusual circumstances where a member does not have 2/3 of their sick time available at the beginning of the absence who does not qualify for sick time work back, the affected employee can petition through a labor management meeting to qualify for sick time work back. In the event the employee being covered by work back does not comply with the City's return to work policies (203-203.3), the union body and / or the City has the right to discontinue work back coverage.

Section 3.

The City agrees that members of the Union negotiating team, but in no event more than three (3) employees, shall, if on duty, be allowed to participate in negotiations without loss of pay for up to a total of ninety (90) hours compensated (each employee participating while in a work status will have their hours counted toward the total 90 hours allowed) for negotiations sessions mutually agreed to by the City. Nothing herein prevents additional negotiating sessions between the City and the Union except that the City will not be responsible for loss of wages beyond that previously described.

Section 4.

The City agrees that a Union representative and one grievant, regardless of whether more than one employee of the Fire Department is involved in the grievance, shall be allowed time off to attend any meeting held pursuant to the grievance procedure (Steps 1 through 4) in Article 26 of this Agreement without loss of pay if on duty.

ARTICLE 9 WORKWEEK AND OVERTIME

Section 1.

The Fire Department shall be divided into three platoons. Section 2.

The change time or designated time that each platoon shall change shifts shall be at 6:40 a.m. each day.

When an employee is called in and required to work overtime in the event of an emergency incident outlined as a structure fire, natural disaster, technical rescue deployment, water rescue deployment, or Hazmat deployment, said employee shall receive a minimum of six (6) hours of compensation at double their regular straight-time hourly rate for the first six (6) hours. In the event the employee works beyond six (6) hours during the same overtime period, said employee shall receive time and one-half pay for each hour or part of an hour after the six (6) hour period expires (partial hour worked shall be considered a full hour).

b) An employee required to work beyond the end or before their regularly scheduled work shift shall receive overtime compensation for the actual hours worked at one and one-half the employee's regular straight-time hourly rate before and after each shift. In the event the employee works beyond two (2) hours, the employee shall receive four (4) hours overtime at one and one-half their regular straight-time hourly rate. In the event the employee works beyond four (4) hours during the same overtime period, said employee shall receive time and one-half pay for each hour or part of an hour after the four (4) hour period expires (partial hours worked shall be considered a full hour)

This provision does not have any impact on working into the beginning of an employees scheduled work shift and a partial hour worked shall be considered a full hour.

d) Employees voluntarily accepting overtime to participate in an administrative capacity or to assist with training shall receive overtime compensation for 2 hours minimum at one-half times their regular straight-time hourly rate. This provision does not have any impact on working into the beginning of an employee's scheduled work shift and a partial hour worked shall be considered a full hour.

e) In the event that a member of the bargaining unit is subpoenaed to testify in a court of competent jurisdiction for reasons directly relating to their official capacity with the Fire Department while off duty, they shall be compensated as set forth in this Section.

Section 5.

Section 6.

Payroll shall be biweekly.

ARTICLE 10 CLOTHING ALLOWANCE

The City, by a vendor credit system, will provide \$1250 per employee to be distributed in two installments, \$625 on January 1 and \$625 on July 1 of each year, with the exception of employees with less than 1 year of service. An employee with less than one year of service will start receiving the January 1 and July 1 installments after they have completed 8 months of employment. Any remaining balance in an employee's uniform account on December 31 may be carried over. Each fire fighter will be able to purchase required clothing as needed in keeping with purchasing procedures established by the City and policies of the department established by the Fire Chief. Equipment items approved by the Chief will be Quartered mastered by the Fire Administration staff at no cost to the employee.

ARTICLE 11 VACATIONS

Section 1.

All platoon employees working shifts of 24 hours on duty and 48 hours off duty shall receive vacation time as follows, based upon the number of years of service completed:

- A. From the beginning of employment – End of the 3rd year - the accrual rate shall be 12 hours per month for a total of six (6) twenty-four (24) hour shift days.
- B. From the beginning of the 4th year – End of the 10th year - the accrual rate shall be 14 hours per month, for a total of seven (7) twenty-four (24) hour shift days per year.
- C. From the beginning of the 11th year – End of the 15th year - the accrual rate shall be 16 hours per month for a total of eight (8) twenty-four hour shift days per year.
- D. From the beginning of the 16th year – End of the 20th year - the accrual rate shall be 18 hours per month for a total of nine (9) twenty-four hour shift days per year.
- E. From the beginning of the 21st year – End of the 25th year - the accrual rate shall be 20 hours per month for a total of ten (10) twenty-four hour shift days per year.
- F. From the beginning of the 26th year - the accrual rate shall be 22 hours per month for a total of eleven (11) twenty-four hour shift days per year.

Vacation pay for platoon personnel shall be computed at the member's rate of pay times the hours absent during the pay period, and full credit shall be given for regular and overtime pay as if the member had actually worked their scheduled shift of 24 hours on duty and 48 hours off duty. Each member may accrue up to a maximum of twenty-five (25) days of vacation pursuant to the provisions of Section 4 of this Article.

Section 2.

No member of the bargaining unit shall be entitled to take more than their annual leave as defined by Section 1 or Section 2 above.

Section 3.

The Fire Chief will prepare a schedule for vacations and holiday leave time. The schedule will contain 17 leave slots. Each leave slot will contain seven (7) – twenty-four (24) hour shifts. Four (4) slots will contain three (3) individual slots. The rest will be filled with two (2) individual slots. One slot containing

Members of the bargaining unit with fifteen (15) years of service shall have accrued vacation time not taken in the year accrued placed in a vacation bank. The maximum hours to be accumulated in the vacation bank is 600 hours for platoon employees. Time in the vacation bank shall be used only in case of extended disability when an employee has used all of their sick leave. No employee with less than fifteen (15) years of service will be permitted to put time in the vacation bank, except employees with between ten (10) and fifteen (15) years of service may place their two (2) unscheduled days in the vacation bank. Once the employee's vacation bank reaches 600 hours, the employee will be required to schedule their vacation in the year in which it is accrued. Failure of the employee to request said vacation time shall result in the loss of that vacation.

Section 4.

Members of the bargaining unit may trade vacation time with the approval of the Fire Chief or the Assistant Chief to whom the Chief has delegated the authority.

Section 5.

Upon the termination of employment with the City a member of the bargaining unit shall be paid for all accrued and unused vacation time using the blended hourly rate up to the maximum amounts permitted to be accrued under the provisions of Section 1 and Section 2 above. An example of how the blended hourly rate is calculated is as follows:

Blended Rate Calculation:

18.90	Regular rate
2,080.00	Regular hours per year
39,312.00	A
28.35	O/T rate
832.00	Scheduled O/T hours per year
23,587.20	B
62,899.20	A + B
2,912.00	Total hours worked
21.60	Blended rate

Section 6.

Notwithstanding any of the above provisions, any vacation hours accrued during the year that equal less than 24 hours (hours accrued due to an increase in years of service) or in unusual situations whereby the fire fighter is unable to utilize earned vacation hours during the year, he may be allowed to temporarily

increase their accrued vacation balance in excess of the 600 hours, regardless of the years of service, with the approval of the Fire Chief. These hours should be taken in the next calendar year, if possible.

ARTICLE 12 HOLIDAYS

Section 1.

Members of the Fire Department working as a member of a platoon performing duty in shifts of 24 hours on duty and 48 hours off duty shall be given the holidays listed in Section 2 with a credit of 2 holidays per 24 hour shift and they shall be compensated for such holidays at their average earnings including regular and overtime pay for a 56-hour workweek. Holidays will be scheduled as described in Article 11, Section 4.

Section 2.

All members of the bargaining unit within the Fire Department shall receive the following 13 holidays:

Section 3.

A Personal day shall be part of the 13 holidays granted each calendar year, but shall be scheduled as July 1.

Section 4.

Whenever a member of the bargaining unit works on a legal holiday, the said member(s) shall be paid two (2) times their hourly rate of pay for an additional twelve (12) hours for working on said holiday. In order to receive holiday pay, a bargaining unit member must work twelve (12) hours on said holiday. In the instance of exchange of duty, the employee whose shift is being worked will receive the holiday pay. A legal holiday is defined as any of the holidays set forth in Article 12, Section 2.

Section 5.

Whenever the City Commission designates a City-wide holiday in addition to those mentioned in Section 2 above, members of the bargaining unit shall be granted an additional holiday and compensated as described in Section 1 above. Closing of city offices due to weather or other emergencies are not considered a holiday.

ARTICLE 13 SENIORITY

In the case of a personnel reduction, the employee with the least seniority shall be laid off first. Time in the Fire Department shall be given the utmost consideration. No new employee shall be hired until the laid-off employee has been given the opportunity to return to work.

ARTICLE 14 HEALTH INSURANCE

The City will continue to offer a group health insurance plan "Plan" to all full-time employees and/or retirees who qualify for and participate in the City's Plan, whereby participation is defined under the terms and conditions set forth during each annual renewal period or any intervening period as permitted by the summary plan description.

Section 1.

If during the term of this agreement, the City chooses to maintain its grandfathered status for the City's self-funded insurance plan in place as of March 23, 2010, it agrees to adhere to the following prescribed mandates currently in effect, in addition to any other limitations imposed by the 2010 Healthcare Reform Legislation as adopted and considering any future amendments, unless repealed:

- a) Elimination of Benefits- The City agrees not to eliminate all or substantially all benefits to diagnose or treat a particular condition under the "Plan."
- b) Increase in Percentage Cost-Sharing- The City agrees not to increase (measured from March 23, 2010) the percentage cost-sharing (e.g., an increase in co-insurance paid by covered employees).
- c) Increases in Fixed-Amount Cost-Sharing- The City agrees to adhere to the regulations governing increases in fixed amount cost-sharing (e.g., deductibles or co-payments) measured from March 23, 2010. The City will not increase fixed cost sharing above an inflationary adjustment of up to 15% above medical inflation fixed-amount cost-sharing other than co-payments (such as a deductible). Medical inflation is defined by reference to the overall medical care component of the Consumer Price Index for All Urban Consumers (CPI-U) (unadjusted) published by the Department of Labor (OMCC). For co-payments, The City agrees not to increase (measured from March 23, 2010) the fixed-amount co-payments above the greater of (1) \$5, increased by medical inflation; or (2) 15% above medical inflation.
- d) Decrease in Rate of Employer Contributions – The City agrees not to decrease its contribution rate (whether based on a formula or on cost of coverage) for any tier of similarly situated individuals by more than 5 percentage points below the contribution rate on March 23, 2010. In the case of a self-insured plan, contributions by an employer or employee organization are equal to the total cost of coverage minus the employee contributions toward the total cost of coverage.

Section 2.

If during the term of this agreement, the City chooses to join the KEHP (Kentucky Employees' Health Plan), the City agrees to adhere to the contribution rates as set forth by the State of KY, during renewal and open enrollment windows annually.

Section 3.

If during the term of this agreement, the City finds it necessary to seek an alternative arrangement (other than the arrangements described in Sections 1 and 2) for providing health care benefits to its employees, it agrees to provide coverage to its participating employees with cost sharing arrangements, coinsurance, and deductibles that are substantially equivalent compared to the plan(s) offered for the plan year 2011, unless said benefits have been modified as a result of federal or state legislation. (Appendix 2 Summary of Benefits 2011)

Section 4.

The City will not reimburse for any expenses paid for by any other insurance carrier, including Worker's Compensation or for any other medical expenses which are not covered medical expenses under The Plan or which are not considered as usual, customary or reasonable, or considered medically necessary.

Section 5.

If either the Commonwealth of Kentucky or the federal government enacts legislation that modifies the benefits provided bargaining unit employees, nothing in this Article will prevent the City from adhering to the mandates as prescribed by law.

Section 6. The terms and conditions of the Health Insurance Plan control as to all questions, including eligibility, benefits provided, and the amount of benefits.

Section 7. The City retains the right to enact procedural changes during the Agreement to attempt to control costs.

ARTICLE 15 LIFE INSURANCE

Section 1.

The gross premiums for life insurance shall be paid by the City of Paducah. All earned dividends on such insurance policy or policies shall be paid to the City and shall be and become a part of the general fund.

Section 2.

The life insurance benefit on an employee's life shall be in the face value amount of \$15,000 to be paid upon the employee's death. The City agrees to provide a double indemnity benefit for any employee killed in the line of duty which will be \$50,000 or equal to any public safety employee to be paid upon the employee's death. The Union, however, recognizes the City's right to switch insurance carriers as long as the City continues to provide equal or better benefits.

Section 3.

Retiree Life Insurance will no longer be offered effective July 1, 2026. Any retiree taking coverage prior to that date will be grandfathered in according to the terms of the plan.

Section 4.

The parties agree that the insurance policies control all conditions for eligibility and terms of coverage, conditions under which benefits shall be paid and the amount of said benefits to be paid.

Section 5.

A copy of the current Life Insurance Policy and any changes in its terms or a change in carriers will be given to the Union President.

ARTICLE 16 ACTING PAY

Section 1.

In the event employees of the Fire Department are temporarily assigned a position of responsibility higher than the position the employee currently holds due to a vacancy created by: an employee retiring, resigning, or terminated, or an illness/injury that is foreseen to take more than ten (10) consecutive twenty-four (24) hour shifts to return to full duty, then the wage rate of the employee will be adjusted according to the wage rate the employee would receive if he were actually in the higher rated classification. The wage rate for a Captain acting as an Assistant Chief under the terms noted above, will be their base wage rate plus \$1.25 per hour. The adjusted wage rate will be paid in a manner corresponding with the actual dates working in said acting position. Employees filling positions of higher classification on intermittent or short-term basis are expected to perform those duties as part of their classification responsibility*. Any Captain receiving Assistant Chief Acting Pay on July 1, 2026, will be grandfathered in and keep Acting Pay until a position change, retirement, or termination.

Section 2.

Qualified Firefighters appointed to Relief Driver status will be made by seniority with consultation by the Fire Chief and the appropriate Captain(s) and final approval by the City Manager.

ARTICLE 17 SICK LEAVE AND PAY

Section 1.

Members of the platoon in the Paducah Fire Department working shifts of twenty-four (24) hours on duty and forty-eight (48) hours off duty shall be charged with two (2) sick leave days for one shift period for twenty-four (24) hours of illness. One (1) day of sick leave will be charged for a period of illness up to twelve (12) hours. Compensation for sick leave shall be computed at the member's rate of pay times the hours absent during the pay period, and full credit shall be given for regular and overtime pay as if the member had actually worked their scheduled shift of twenty-four (24) hours on duty and forty-eight (48) hours off duty as required by KRS 95.500.

Section 2.

A sick day shall be defined as a minimum of one twelve (12) hour period of illness or absence because of the death or illness of relatives as set forth in Section 78-33 of the Code of Ordinances of the City of Paducah as is in effect on the date of the execution of this agreement or as subsequently amended.

Section 3.

Employees shall accrue sick leave at the rate 1 1/3 days per month up to a maximum of 150 days of sick leave time. Exception to this is noted in Section 6.

Section 4.

Retirement Time Purchase: Employees that entered the system prior to 1-1-2014 and selected the retirement time purchase benefit shall be allowed to maintain the retirement time purchase option until retirement. When these employees retire, the City will purchase one day of retirement credit for each sick day accumulated up to a maximum of one year's retirement credit (242 days). An employee must have a minimum of 50 days accrued sick time at the time of retirement to receive this benefit. This

benefit is contingent on CERS approval. Employees in the retirement time purchase group accrue sick leave at the rate of 1 ½ days per month up to a maximum of 242 days of sick time.

Section 5.

Death Benefit: If an employee dies, the surviving spouse or designated beneficiary shall be entitled to the same unused sick leave benefits option as elected by the employee, either the retirement time purchase benefit described in Section 4 above or the payment alternative described in Section 6 below.

Section 6.

Payment alternative: Members of the bargaining may elect the following benefit in lieu of the retirement time purchase described in Section 4.

Upon retirement, employees electing the payment alternative who have over 50 days of sick leave accumulated shall be paid an amount equivalent to one day's regular pay for all sick days accumulated over 50 days up to a maximum of 70 day's pay.

Exception to Section 3. After an employee accrues 150 days in a given year, any sick time earned after that point within that year will be purchased by the City using the following formula. Beginning sick time plus annual accrual minus annual time used divided by 3.

The Member expressly authorizes the City to withhold applicable taxes from the Member's pay in accordance with such understanding.
- b. It is agreed that the Member and the City shall include any benefits hereunder in computing a Member's salary for contributions to CERS by the City and the Member. Furthermore, the Member and the City shall continue to contribute to CERS during the time any benefits are paid under this Article.

- d) The City agrees that while on transitional duty the firefighter will retain accruals toward retirement and will not experience benefit interruption.

The Fire Chief has the authority to add and remove members of the specialty teams and assignments at their discretion.

Section 8.

Effective July 1, 2026 the cost of living adjustment (COLA) will be paid in accordance with KRS 83A.075(1). The Department for Local Government (DLG) calculates the maximum allowable annual compensation for mayors of cities other than first-class cities by the second Friday in February each year. These calculations are based on the court-established formula application levels for state and local governmental constitutional officers. Adjustments are determined using the Consumer Price Index (CPI) maintained and reported by the U.S. Department of Labor, Bureau of Labor Statistics. A Bureau-issued news release establishes the CPI as of December of the preceding year, at which time the percentage increase for the prior twelve-month period is determined. This percentage will become the City Manager's recommendation to the Board of Commissioners as the annual Cost of Living Adjustment (COLA) for employees. The Commission shall accept the recommendation in good faith as part of their budget adoption process. Each year the City will forward the letter notifying the Union of the amount within five (5) business days of receipt. An updated wage table will be provided at that time. Historical DLG increases can be found on the Kentucky League of Cities website for under Info Central.
